In principle, if there are several Japanese corporations and foreign corporations with PE that must submit a Notification for Ultimate Parent Entity, all of them have the duty to do so. But as an exception, if one of the corporations submits information (Note) on those which it represents when it submits a Notification for Ultimate Parent Entity to the competent District Director via e-Tax by the day when the fiscal year covered by the Notification ends, the other corporations do not need to submit a Notification for Ultimate Parent Entity (Article 66.4.4 Paragraph 6 of the Act).

(Note) The major content of the information to be submitted is as follows (Article 22.10.4 Paragraph 10 of the Ordinance for Enforcement of the Act on Special Measures Concerning Taxation (hereinafter referred to as the "Ordinance")):

- Name of the corporation that submits a Notification for Ultimate Parent Entity on behalf of others, the location of its head and other offices, its corporate number, the name of its representative, etc.

(3) Outline of the Country-by-Country (CbC) Report

If the Ultimate or Surrogate Parent Entity is located in Japan <Direct Filing>

Japanese corporations that is a Constituent Entity of a Specified MNE Group (limited to those which fall into the category of Ultimate or Surrogate Parent Entities) must submit a Country-by-Country (CbC) Report to the competent District Director via e-Tax within one year of the day following the one when the fiscal year covered by the Report ends (Article 66.4.4 Paragraph 1 of the Act).

In this case, the CbC Report is transmitted to the tax authorities in the country where the Constituent Entity resides according to the information exchange system based on tax treaties (This method is called "Direct Filing").

If the Ultimate and Surrogate Parent Entities are located in a foreign country <In principle, Direct Filing> <Exception: Local Filing>

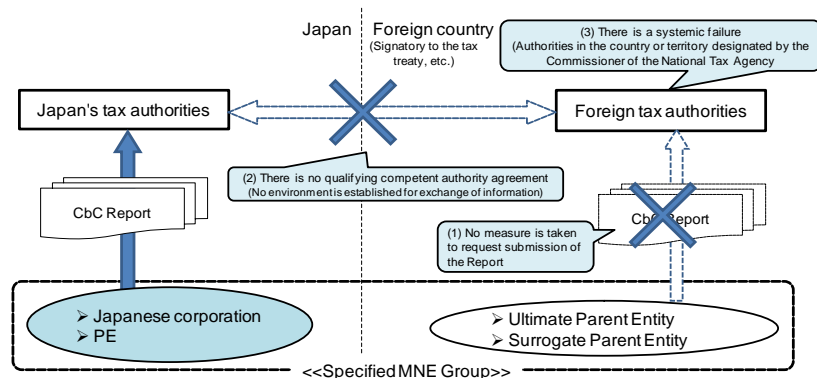

<In principle: Direct Filing>

In principle, if their Ultimate and Surrogate Parent Entities are located in a foreign country, Japanese corporations and foreign corporations with PE that is a Constituent Entity of a Specified MNE Group do not have the duty to submit a CbC Report because the information equivalent to the

CbC Report submitted by the Ultimate or Surrogate Parent Entity to the tax authorities in the country where it resides is transmitted by the tax authorities to the national tax authorities in Japan.

<Exception: Local Filing>

As an exception, if one of the cases (1) to (3) applies where the tax authorities in the country in which their Ultimate Parent Entity (Surrogate Parent Entity if appointed by the Ultimate Parent Entity) resides are considered as unable to transmit the information equivalent to the CbC Report to Japan, Japanese corporations or foreign corporations with PE that is a Constituent Entity of a Specified MNE Group (excluding those which fall into the category of Ultimate or Surrogate Parent Entities) must submit a CbC Report to the competent District Director via e-Tax within one year of the day when the fiscal year covered by the Report ends (This method is call "Local Filing") (Article 66.4.4 Paragraph 2 of the Act and Article 39.12.4 Paragraph 1 of the Order for Enforcement of the Act on Special Measures Concerning Taxation (hereinafter referred to as the "Order")).

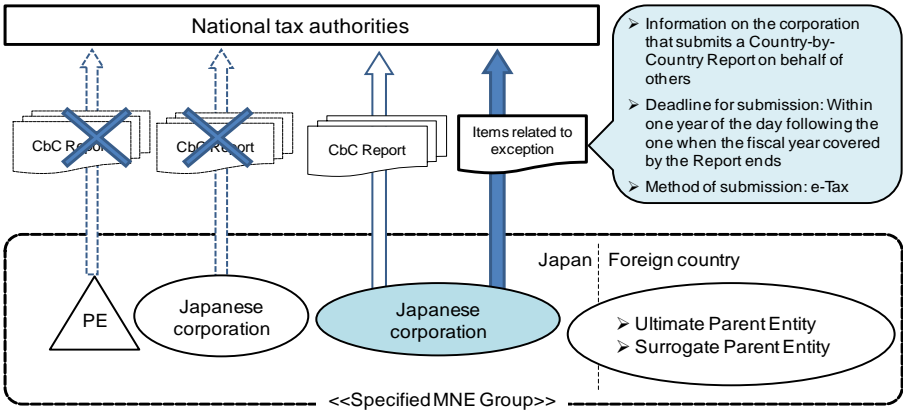

- (1) If the country (limited to signatories to the tax treaties; this applies to (2) and (3)) in which the Ultimate Parent Entity (Surrogate Parent Entity if appointed by the Ultimate Parent Entity; this applies to (2) and (3)) has not taken necessary measures to require the Entity to submit items equivalent to the CbC Report for the Ultimate Parent Entity's fiscal year
- (2) If there is no Qualifying Competent Authority Agreement (Note) between the Japanese Minister of Finance and the competent authorities in the country in which the Ultimate Parent Entity resides
- (3) If the country in which the Ultimate Parent Entity resides is designated by the Commissioner of the National Tax Agency as one of the countries or territories that are considered as unable to provide Japan with information equivalent to the CbC Report as required in Japan on the day when the Ultimate Parent Entity's fiscal year ends (excluding cases in which there is no Competent Authority Agreement (Note))

(Note) The "Qualifying Competent Authority Agreement" is an agreement concluded between the Japanese Minister of Finance and the competent authorities in a country or territory other than Japan on the method of mutually exchanging CbC Reports or information equivalent (Competent Authority Agreement) thereto which is actually valid on the day when one year passes from the day following the one when the Ultimate Parent Entity's fiscal year ends.

Even if case (1) or (2) above applies, the Japanese corporations(excluding those which fall into the category of Ultimate or Surrogate Parent Entities) and foreign corporations with PE do not need to submit a CbC Report for the Ultimate Parent Entity's fiscal year that begins between April 1, 2016 and March 31, 2017 as required in Local Filing.

In this case, if there are several Japanese corporations and foreign corporations with PE that must submit a CbC Report, Local Filing in principle requires all of them to submit a CbC Report. But as an exception, if one of the corporations submits information (Note) on the corporations it represents when it submits a CbC Report to the competent District Director via e-Tax within one year of the day following the one when the fiscal year covered by the Report ends, corporations other than the representative one do not need to submit a CbC Report (Article 66.4.4 Paragraph 3 of the Act).

- (Note) The major content of the information to be submitted is as follows (Article 22.10.4 Paragraph 5 of the Ordinance):
- Name of the corporation that submits a CbC Report on behalf of others, the location of its head and other offices, its corporate number, the name of its representative, etc.
 - Names of corporations other than the one that submits a CbC Report on behalf of others, the location of their head and other offices, their corporate numbers, the names of their representative, etc.
